

JOEL SAUCEDO

WEB DEVELOPER

joelcmk@gmail.com

Austin, TX

970-331-2807

OBJECTIVE

Proactive, responsible professional seeking a position where I can serve in a team that promotes innovation and entrepreneurship. Despite the fact that I have over five years of experience working in the hospitality business, my passion has been in technology since I was a kid.

EXPERIENCE

AUSTIN, TX

MARCH 2020 - PRESENT

Content Moderator

Accenture

- Assure that users are safe on the platform by removing unwanted content that violates community guidelines.
- Adapt to a fast-changing environment with new technologies, policies, and trends.
- Regularly attend meetings regarding company updates and new technologies.
- Met client satisfaction and expectations by receiving and applying constructive feedback.

AVON, CO

September 2014 -

November 2018

Hospitality

Westin Hotels

- Communicated the most important updates of the day to coworkers and accordingly allocated and distributed work assignments.
- Supervised the overall activity of eight team members to assure customer satisfaction.
- Communicated with other Westin Hotel departments customer cases that needed to be resolved.

EDUCATION

ONLINE

2019 - 2020

Coding Bootcamp

CareerFoundry

Completed an intensive, self-paced program that emphasized technologies required by the expanding tech industry.

Utilized a support network of mentors and tutors to monitor the progress and assure that the program was being successfully completed.
